## Volume Discounts

Volume discounts are applied to large quantities of prints 24x30 and above, this may include different images. Volume discounts are also available on quantities of identical small prints grouped for reproduction. (min. 18 square ft.)

- 35-100 Square Feet      -15%
- 101+ Square Feet      -25%

## Turnaround/Additional Pricing

- Standard turnaround time is 2 business days for the first proof for all surfaces except canvas and 2 additional business days after proof approval for the final print, 3 days if the artwork is being mounted/laminated
- Standard turnaround time for canvas is 2 business days for the first proof. Because of the coating process, an additional 4 business days are needed after proof approval for the final print, 5 days if the artwork is being stretched.
- Additional print pricing applies to prints from the same order as well as reprints from archives on file or printed files returned on a Digicraft CD/DVD
